COUNCIL MEMO REGARDING CONSTRUCTION WITHOUT PLUMBERS' APPROVAL;

Yesterday rain water from the NON-GUTTERED Asphalt Road and Concrete Back Yard Car Park of 11 Outlook Avenue Lakes Entrance VIC 3909, both of which do not have construction plumber approval documentation, and both were given permission to be built by Council, rivers of water flooded across my house foundations (9 Outlook Avenue Lakes Entrance VIC 3909).

All details of this logged event, and the full history of waiting for Council to fix a problem they allowed, is recorded at the COUNCIL INFORMATION WEBSITE created by the author at <http://dj-council-support.ueuo.com/> [Da.Vinci.Place@outlook.com] Currently property owner at 11 Outlook trying to silently sell his property to avoid the costs of repairing the plumber non-approved non-guttered construction he completed.
