VICTORIAN GOVERNMENT RATE CAPPING

The Victorian Government's rate cap for this year is 1.5%. The cap applies to the increase in the total income raised from Council rates and municipal charge only. Council has decided to increase the total income raised from rates and the municipal charge by the rate cap of 1.5% this year. The rates and charges for your individual property may have increased or decreased for one of the following reasons –

- (i) the change in the valuation of your property was greater or less than the average change in valuation for properties of the same type;
- (ii) a change of your property rating classification;
- (iii) the inclusion of other charges not covered by the Victorian Government's rate cap.

PAYMENT OPTIONS

Reminder notices for the 2nd, 3rd and 4th instalments will only be issued for the 4 Instalment payment plan if you elect to pay this way. If the 1st instalment amount is not received by 30 September 2021, your account will default to the Full Payment option with the total amount due by 15 February 2022. You can also pay by 9 instalments through direct debit where payment is withdrawn from your nominated bank account at the end of every month from September to May.

INTEREST PENALTIES FOR LATE PAYMENT

Interest is applied to unpaid rates and charges under section 2 of the *Penalty Interest Rate Act 1983*. Interest is calculated daily and is currently charged at 10%. Late payment, including quarterly instalments 2, 3 and 4 will incur interest on the outstanding amount, from the date the payment was due. Interest on any arrears will increase daily until you have paid the overdue amount in full.

Postal delays will not be accepted as an excuse for late payment.

Your rate payments will be allocated to your account in the following order:

1. Legal costs owing, if any; 2. Interest owing, if any; 3. Arrears owing, if any; 4. Current rates, charges and levies.

EXPERIENCING PAYMENT DIFFICULTIES

If you think that you might find it difficult to pay your rates by the due date, please contact us to discuss alternative arrangements to avoid possible legal action. Under Section 170, 171 and 171A of the *Local Government Act 1989*, Council may defer or waive in whole or in part, the payment of a rate or charge, if the payment would cause financial hardship to the person. If you are experiencing financial hardship, please contact us to discuss your options.

PENSIONER CONCESSIONS

Eligible pensioners are entitled to the following concessions for the property that they live at (including farm properties):

Information on differential rates, applied under section 161 of the *Local Government Act 1989* as well as the application form, can be found on Council's website at eastgippsland.vic.gov.au/rates. Under section 183 of the *Local Government Act 1989*, if you do not agree with Council's decision to classify or not classify your land as a particular type or class for differential rating purposes, you may apply to Victorian Civil and Administrative Tribunal (VCAT) for review of the decision. Applications must be made within 60 days of receiving your annual Valuation and Rate Notice.
